Honorable Stansfield Turner Director Central Intelligence Agency Washington, D.C. 20505

Dear Mr. Turner:

Your recent letter notifying me of your intention to establish committees was received. I strongly believe that cooperative labor/management safety and health committees, established under Executive Order 12196, can be of great benefit in improving protection for Federal employees.

The next step required by the implementing regulations (29 CFR 1960, October 21, 1980), is for you to notify me on or about January 19, 1981 of the location and coverage of the committees you have formed. For your convenience, a form and instructions for reporting this information are enclosed. Also, please see paragraph 1960.37 and section 3 of the preamble.

If you or your staff have any questions, or need any assistance, please call Clinton Wright at 523-7251.

Sincerely,

Secretary of Labor
